Customised Wealth Strategies Pty Ltd trading as Customised Wealth Strategies Pty Ltd (Practice) is a Corporate Authorised Representative of Financial Services Partners Pty Limited (AFSL No. 237590 ABN 15 089 512 587). (Financial Services Partners).

Jason Woolford is an Authorised Representative of Financial Services Partners.

Jason began his career in financial planning in 2001 with one of Australia's largest banks. By 2004 he had become the bank's senior financial planner for Sydney's Northern Beaches. Whilst working in a large institution was an excellent learning environment, it also had its limitations in terms of product independence and personalised customer service.

He realised his dream when he started his own Financial Planning practice in partnership with an accountancy firm in Manly - Charter Group. Through his diligence and hard work, Jason has built up a loyal client base and his business has grown from inception to be an award winning practice within the Financial Services Partners Group, in a relatively short period of time.

Jason particularly enjoys working with superannuation clients. He does however strongly believe in a holistic financial planning approach that covers wealth accumulation, wealth protection and planning for retirement.

Jason is recognised as a Certified Financial Planner and has also attained the Diploma of Financial Planning at Deakin University and the Diploma in Financial Markets at Securities Institute of Australia. Jason is also accredited with the SMSF Association to give advice on Self Managed Super Funds.
